Why Optii

- Smart, predictive technology. Optimize cleaning sequences for highest efficiency, fastest turnaround and track all job activities.
- Two-way real-time integration to Oracle. Know instantly when rooms are available and rush rooms with confidence and ease.
- Most intuitive and flexible user interface available. Increase room attendant productivity and easily update cleaning protocols.
- Accessible from any browser, no matter where you are. Make real-time updates from anywhere without installing software.

What's included?

- Easy-to-use hotel operations platform that helps you manage your team and benchmark performance.
- Real-time visibility of room and job status and staff locations minimizes manual communication and downtime.
- Remote onboard and success coaching ensures team adoption and ongoing improvement.
- Multilingual functionality allows for use around the globe.

Trusted globally by:

Optii hotel operations solution leverages smarter technologies such as artificial intelligence, analytics, messaging and mobility to improve the efficiency and effectiveness of housekeeping and service delivery departments. Optii is a Thayer Ventures portfolio company and a Marriott approved vendor, trusted by hotels globally and servicing 9 million+ rooms.
